According to the cooperative's Code of Regulations, these names must be published twice in two consecutive issues of *Ohio Cooperative Living* magazine.

**Notice to the individuals named in the above list:**  
According to the cooperative's records, you have not claimed a capital credits refund check from the cooperative. Unless the capital credits check is claimed within 60 days following the last date of

## Spring AC prep!

Shut off your AC and clear away yard debris outside. Inside the unit, clean or replace filters, and dust the fan blades if you can do so safely. Make sure air can flow freely over the inside and outside coils. Vacuum the registers to remove buildup.
